Manager's Desk

I'm happy as the 8th Volume of annual Newsletter of B.Ed. (2017-2018) is being released. Our B.Ed. department is always dedicated towards quality teacher education programme for students. For the last three years our B.Ed. students have been successful in securing first position in the university merit list of B.Ed. I hope students will continue to achieve great success in the coming years too and bring glory both to the B.Ed. department and the institution. Our best wishes and blessings are always with them.

Principal's Desk

The 8th volume of annual Newsletter of B.Ed. is being published. I'm happy that it is published every year with a purpose to provide feedback to all stakeholders on the success of B.Ed. Two Years Programme being run in our institution. Since B.Ed. is a professional course, our responsibility towards its success is greater. Though completion of course is important but providing B.Ed. students with necessary inputs for success in teaching profession is more important. For this purpose, many activities are organized for them. Among the activities organized for B.Ed. students, the most important ones are 20 weeks internship programme, school visit, exposure to different communities, educational excursion, camp, sports and yoga, cultural activities and preparation of teaching learning material. The Newsletter is a valuable means to show how sincerely all the curricular, co-curricular and extracurricular activities are organized by teacher educators to make the B.Ed. programme a great success. I'm happy as every year; hundred percent results are given by B.Ed. students with most of the students obtaining 85-90 percent marks. They have been successful in securing first position also for the last three years in the university merit list of B.Ed. I wish them success in all their endeavors.
