Principal's Desk

It's the 7th volume of Annual News letter of our B.Ed. Department and I'm happy as it is being released with details of new activities prescribed in the syllabus of two year B.Ed. Programme. Among the thrust areas, the most important was 16-week "School Internship Programme" which was successfully arranged by the college administration and management in Arya Mahila Inter College and "Arya Mahila Nagarmal Murarka Model School" in the college premises. The other was computer training given to all student teachers towards the completion of one of the prescribed papers.
